Summit Christian Academy Announces Elementary Christian Character Recipients

(Lee's Summit, MO) – Summit Christian Academy (SCA) is pleased to recognize students who consistently exhibit exceptional Christian character through the Christian Character program. The purpose of this award is to encourage students to pursue their potential toward attaining the highest level of personal and academic development.

The elementary school's Christian Character Award recipients for the third quarter are second grade student Collin Haulotte, son of Kyle and Lindy Haulotte, and fifth grade student Maddie Dyer, daughter of Daniel and Mallory Dyer. Collin and Maddie were acknowledged during SCA's eCampus virtual chapel service last week.

“Congratulations to these two outstanding students,” shared SCA Elementary Principal Charissa Sanders. “God has wonderful things in store for you! We miss you and wish we could have handed these awards out to you in person!”

Summit Christian Academy (SCA) is an independent, non-denominational Christian school serving 835 preschool-12th grade students from over 185 area churches with a college preparatory Christian education. Summit Christian Academy is fully accredited by the Association of Christian Schools International and the North Central Association and provides a college-preparatory program, along with a full range of extracurricular activities. The staff and faculty at Summit Christian Academy strive to inspire students to discover and achieve their God-given potential.
