

GOD'S AFTERCARE PROGRAM (GAP)

Dear SCA Families,

There is so much excitement associated with “back to school” and a lot of questions to ask. My name is Gail Wesselschmidt (Miss Gail), and I am the GAP Coordinator. I have been a part of GAP since the fall of 2014. G.A.P is provided to help families with childcare needs before- and after-school until the parent or guardian can pick up their student after work. We have staff that are CPR trained. Our staff work here because they enjoy working with students and mentoring.

I want to highlight a few things about our before- and after-school care services and hopefully answer any questions you may have about us to make coming back to school a little easier.

Contracts and RSVPs are **NOT** required to use our program. We do ask if you are considering using GAP even just one time this year, to please fill out the GAP registration form that is included in your back-to-school packet and turn it in to your students’ teachers or the front office. One form is all you need to fill out for all your students.

Morning GAP is just **\$0.13** a minute per student.

Afternoon GAP is charged a **1-hour minimum charge of \$7.80** for this service per student. After the first hour, afternoon GAP reverts to **\$0.13** a minute per student.

The late fee is **\$5.00** a minute per student for early arrival before morning GAP opening and for late pick up after we close.

GAP is available every day that school is in session.

GAP on Early Dismissal days looks slightly different. Reminder emails will go out.

Morning GAP is still available.

No Secondary afternoon GAP on Early Dismissal days.

Early Education and **Elementary** students **MUST** bring lunch on Early Dismissal days.

The kitchen is **CLOSED** on Early Dismissal days.
