Community Partners Program

Dear SCA Community,

At Summit Christian Academy, our mission is to inspire students to achieve their God-given potential. Through excellent academics, biblical teaching, and opportunities to grow in faith and character, we are preparing the next generation of Christian leaders.

Through the Community Partners Program, businesses play a vital role in advancing this mission. Your generosity helps strengthen academic programs, enhance student experiences, support our dedicated faculty, and provide resources that benefit every student.

I invite you to prayerfully consider partnering with SCA through a gift to the Annual Fund as part of our Community Partners Program. Thank you for investing in our students and our mission.

Chris Hahn, Head of School
